

Erasmus information

2023/2024

Faculty of Economics and Business
Administration

Useful information for Erasmus Incoming Students

All the information about study programs (including a list of courses for each bachelor's degree), academic calendar, the location of important spaces and contact data is available on the Faculty web page:

<https://facultadeconomiayempresa.usal.es/estudiantes/>

Information of the 2023/2024 academic course will not be updated until the last days of June 2023.

Learning Agreements

The Faculty of Economics and Business Administration of the University of Salamanca will receive the Learning Agreements (LA) of the Erasmus Incoming students **from July 3rd to September 4th** for students who start their stay in September (Annual and 1st Semester) and **from January 15th to February 5th** for students starting their stay in February (2nd Semester).

Before filling in the LA, **we strongly recommend carefully reading the links (next pages) to the exam schedules and course timetables**. Erasmus students should choose courses that do not overlap in class time or exams dates.

Students must submit their LA by filling in all necessary fields through the Erasmus Without Papers (EWP) Dashboard, particularly the following as indicated:

- STUDENT INFORMATION
 - **Academic Year:** 2023/2024
 - **Field of Education:** 0410 OR 0311
 - **Study Cycle at Nomination AND Study Cycle at Departure:** EQF Level 6
The Faculty of Economics and Business Administration do not offer EQF Level 7 subjects, but may admit Master level students if they agree to take Bachelor's Degree Courses
- RECEIVING INSTITUTION
 - **Receiving Institution:** University of Salamanca
 - **Faculty:** Faculty of Economics and Business Administration
 - **Country:** Spain
 - **Internet domain:** usal.es
 - **Receiving Contact Person:**
 - First Name:* Pablo
 - Last Name:* Garrido Prada
 - Position:* International coordinator
 - Email:* int.ec@usal.es
- STUDY PROGRAM
 - **Component Title, Code, ECTS Credits AND Semester:** Next pages
 - **Language of Instruction:** Spanish, level B1 OR English, level B1
The language of each course is indicated in the next pages of this document.

When choosing courses, it is important to consider the following:

1. Every Learning Agreement signed before the start of the Erasmus stay is PROVISIONAL. The places in each course are not guaranteed until the confirmation within the Faculty enrolment process. Students will receive in their email instructions for the enrolment process from September/January, depending on the start of the stay.
2. The first-year courses of any degree of the Faculty are not available for Erasmus students, with the exception of the Bachelor's Degree in SMEs Management.
3. If the mobility is only for one semester, Erasmus students must verify that the selected courses are in the appropriate semester (first semester or second semester).
4. Attention: There are courses that may have the same name but be from different BD: they may have a different teacher, different timetables, different exam dates and may even take place in a different city.
5. All courses at the Faculty are taught in Spanish, except those marked with  in this document which are taught in English. However, the University of Salamanca requires the B1 level of Spanish for all Erasmus Incoming students.
6. Erasmus Students may register any "ELECTIVE" course, although these courses are limited to 50 placements in the BD in SMB Management and 45 placements in the others. In case that all placements of an ELECTIVE course have been filled at the time of the enrolment process, students must change their choice and take another course.
7. Erasmus students cannot be enrolled in Internships. In case there are placements left over once they have been distributed among students that do not engage in exchange programs, they may be offered as extracurricular internships for Erasmus students.
8. Erasmus Students will not be enrolled at the University of Salamanca for Bachelor's Degree Final Project.

Enrolment process at the Faculty of Economics and Business Administration

Erasmus students will receive instructions on the enrolment process at a meeting on the first day of each semester (announced in a previous personal email). During the first week of classes of each semester, each incoming Erasmus student can attend the courses without enrolling, just to check that their provisional Learning Agreement is correct. Then, the Secretary of the Faculty of Economics and Business Administration will open a registration procedure for the courses.

The timeline for the enrolment process is as follows.

FIRST SEMESTER AND ANNUAL STAYS:

July 3rd to September 4th –	The “Before the Mobility” version of the Learning Agreement must be approved by both sides. This version is provisional and depends on the subsequent process.
September 11th –	Meeting for enrolment information (more details by personal email to each student).
September 14th to 15th –	Erasmus students will receive an email with the link to make their final enrollment proposal at the Faculty of Economics and Business, once they have confirmed during the previous week that the subjects chosen in their Learning Agreement are the correct ones and that timetables and exams do not overlap.
September 18th to 21st –	Enrolment period.
September 22nd to 26th –	Enrolment modification period.

SECOND SEMESTER STAYS:

January 15th to February 5th –	The “Before the Mobility” version of the Learning Agreement must be approved by both sides. This version is provisional and depends on the subsequent process.
February 5th –	Erasmus Incoming meeting for enrolment information (more details in personal email to each student).
February 8th to 9th –	Erasmus students will receive an email with the link to make their final enrollment proposal at the Faculty of Economics and Business, once they have confirmed during the previous week that the subjects chosen in their Learning Agreement are the correct ones and that timetables and exams do not overlap.
February 12th to 15th –	Enrolment period
February 16th to 20th –	Enrolment modification period

After the enrolment modification period ends, no more changes on subjects are allowed. The Faculty of Economics and Business Administration reserves the right to close enrolment in those subjects that present problems, appreciated at any time.

All documents to be signed and stamped by the International Coordinator (certificate of arrival, certificate of attendance, etc.) must be sent to erasmus-incoming.ec@usal.es. Documents will be returned in the same way in a few days.

There are two sessions to pass subjects in each semester, ordinary and extraordinary, as can be seen on the calendar page. Once the exams have been finally passed, even in the ordinary session, students may consider their stay finished.

In the Spanish university system, each course unit is graded on a scale from 0 to 10 points, and each numerical grade corresponds to a qualitative grade as follows: **Suspense** (Fail): 0 - 4.9; **Aprobado** (Pass): 5 - 6.9; **Notable** (Good): 7 - 8.9; **Sobresaliente** (Very Good): 9 - 10; **Matrícula de Honor**: A special mention for outstanding performance limited to a maximum of 2 % of students registered in a given course unit group. When a student does not take the corresponding examination or final assessment, this is reflected as **No Presentado** (Absent). To pass a course unit, a student must receive a grade of at least 5 points out to 10.

Courses of the Faculty of Economics and Business Administration including in the Erasmus Study Program

Grado en Economía – Bachelor’s Degree in Economics
