

Student Assistant Position (m/w/d)

The **Chair of Finance at the University of Würzburg** is looking for a student assistant (Bachelor's or Master's level) to join our team starting March/April 2026. The position offers 20-40 hours per month.

Would you like to gain hands-on experience in academic research? Are you interested in working on exciting and highly relevant research projects in Banking and Corporate Finance? Are you looking for valuable networking opportunities and mentorship for your future career? Then, this position is the right fit for you.

Here's the profile we're seeking:

- Students enrolled in economics/management/data science/information systems (or similar) at the University of Würzburg
- Keen interest in banking and financial markets
- Strong organizational and analytical skills, self-motivated, reliable
- Fluent in English
- Programming skills (Python or similar) advantageous
- Experience with statistical software (STATA, R) advantageous
- Experience with databases (Bloomberg, Refinitiv, WRDS) advantageous
- Proficient in MS Office; LaTeX experience advantageous

To apply:

Please send a brief cover letter, CV, and transcript to wii-finance@uni-wuerzburg.de by January 6, 2026.

We look forward to your application!
