<b>General Information</b>	
<b>Health Insurance</b>	<p>Students from within any of the EU 28 countries, as well as Iceland, Liechtenstein and Norway, are eligible for the 'European Health Insurance Card (EHIC), which provides sufficient health insurance coverage for Switzerland. Any student from Europe who is unable to get EHIC coverage should contact the Institutional Mobility Coordinator for further assistance.</p> <p>Please note that travel insurance taken out in your home country is not equivalent to Swiss health insurance cover and will not be accepted by the authorities.</p>
<b>Personal Liability Insurance</b>	<p><b>For exchange students who will stay at university arranged accommodation, personal liability insurance is mandatory!</b></p> <p>Exchange students should check before leaving their home country whether their personal liability insurance coverage is sufficient for Switzerland. Please note that it is usually cheaper and more convenient to organise this type of insurance cover in your home country.</p> <p>For students organising their own accommodation, personal liability insurance is not compulsory but it is strongly recommended since it offers an insurance cover for third party liability claims and will cover costs relating to damage of rented accommodation.</p> <p>If you have further questions please contact the Institutional Mobility Coordinator.</p>
<b>Visa</b>	<p>Students from EU and EFTA countries need a valid passport or identity card to enter Switzerland.</p> <p>For non-EU/EFTA nationals: Please contact the Swiss Embassy in your home country to start the visa application process as soon as you receive the official admission letter issued by the University of Lucerne.</p> <p>We would advise all students to travel with a passport.</p>
<b>Residence Permit / Costs</b>	<p>All incoming students are required to get a Residence Permit for their stay in Switzerland. The University of Lucerne will apply for this Residence Permit on behalf of the students.</p> <p>Your Residence Permit will be issued after you have registered with the Registration Office of your community of residence (see below).</p> <p>Costs for the Residence Permit: approx. CHF 70 for EU/EFTA students; approx. CHF 250 for non-EU/EFTA students; these costs must be borne by the students.</p>
<b>Entering – Registration / Costs</b>	<p>After entering Switzerland, all students are required to register at the Registration Office of their community of residence. More information about this will be communicated to students during Orientation Week. Costs for the registration: approx.. CHF 35</p>

<b>Scholarships available to Exchange Students</b>	Exchange students studying at the University of Lucerne as part of the Swiss European Mobility Program (SEMP) are entitled to an exchange grant equivalent to the grant usually provided by the European Union within the Erasmus+ Program. The International Relations Office can inform students of the grants for which they are eligible.																		
<b>Study abroad reports</b>	In these reports, former exchange students describe their impressions and experiences of their exchange semester. The reports provide important information to students who are planning an exchange semester at the University of Lucerne in the future: <a href="https://www.unilu.ch/en/international/mobility/student-mobility/study-abroad-reports/">https://www.unilu.ch/en/international/mobility/student-mobility/study-abroad-reports/</a>
