

Senior Referent in the payments department of the KfW. Expert in payment technologies, DLT-based settlement assets and their regulatory framework, with a strong track record in analyzing and implementing innovative projects. Representative to various bodies such as the ECB's Pontes Market Contact Group. Complementing my main position, I am engaged as a doctoral candidate and guest lecturer, to deepen my knowledge, expand my network and contribute specialized expertise in academic and professional circles.

Experience

06/2026 to today

Senior Referent | Kreditanstalt für Wiederaufbau | Frankfurt

- Responsible for the utilization, integration and development of DLT-based settlement assets (wholesale-, retail Central Bank Money, E-Money Tokens and Stablecoins).
- Responsible for the cash leg of all DLT-based transactions.
- Represent the KfW in the ECB's Pontes Market Contact Group, the CeBM and Digital Euro Think Tank, as well as various industry bodies and projects.

10/2025 to today

Guest Lecturer | Hochschule der Deutschen Bundesbank | Hachenburg

- Deliver lectures to final-year students on payment transactions, combining theoretical foundations with practical applications.
- Conduct in-depth analysis of emerging payment technologies, focusing on implementation strategies and the evolving legal and regulatory landscape.

12/2024 to 06/2026

Senior Referent | Kreditanstalt für Wiederaufbau | Frankfurt

- Serve in the Governance Team and the office of the First Vice President, with a focus on payment regulation and innovation projects.
- Represent the KfW in the ECB's Pontes Market Contact Group, the CeBM and Digital Euro Think Tank, as well as various industry bodies and projects.

10/2023 to 12/2024

Senior Business Analyst | Kreditanstalt für Wiederaufbau | Frankfurt

- Analyze and optimize processes and systems, contributing to the strategic development of the operational payments structure.
- Represent the payments department in the CBDC and Digital Euro Think Tank.

10/2019 to 10/2023

Target Services Settlement Manager | Deutsche Bundesbank | Frankfurt

- Managed daily operations as Shift Manager, ensuring smooth system performance and effective crisis management.
- Additionally served as apprenticeship officer and tutor for Bundesbank students and acted as a speaker at internal and external events.

05/2019 to 07/2019

Intern | United Nations | Geneva | Switzerland

- Developed a solution to model the price development of government-issued bonds using real-time data from Reuters Eikon.
- Prepared and participated in high-level meetings with ministers from developing countries, collaborating with international committees and diplomats.

Julius Willem Jansen

Experience

Working Student | Deutsche Bundesbank | Hachenburg 10/2016 to 10/2019

- Completed internships at cash-management, social media, payments and banking supervision teams, including the evaluation of FinTech and bank approval applications in Berlin and overseeing applications for payment providers.
- Position held: Bundesbankinspektoranwärter (Trainee Inspector, Deutsche Bundesbank).

Sales and Marketing Consultant | Tesla Inc. | Berlin 06/2016 to 10/2016

- Started as an intern in B2B Sales, gaining initial experience in client acquisition and relationship management.
- Independently organized and executed sales events across Germany, later transitioning to innovative guerrilla marketing operations.
- Achieved high lead generation and strong sales performance through targeted event strategies.

Intern | Consortium Tours of North America Inc. | New York | USA 10/2015 to 06/2016

- Completed internships in Product Management, Accounting, and Reservations departments.

Art Fair International GmbH | Cologne 09/2013 to 11/2019

- Assistant to the Project Manager (until 11/2019): Supported daily business operations.
- Temporary staff (until 10/2014): Performed various preparatory tasks for the art fair.

Volunteer Work

Reserve Officer | Deutsche Bundeswehr | Frankfurt 06/2022 to today

- Completed different modules in military training, communication, prioritization and leadership in a military context.
- The modules are held in the University of the Bundeswehr and various army bases.

Social Media Lead Frankfurt | Volt | Frankfurt 10/2020 to 06/2021

- Managed the social media presence, including content creation and strategy development.

Volunteer | Bundesanstalt Technisches Hilfswerk | Cologne 10/2015 to 06/2016

- Supported projects to enhance security, public awareness, and IT utilization within the Disaster Relief Authority.
- Position held: Bundesfreiwilligendienstleistender.
