

Information about the course

Human Resource Management & Industrial Relationships (Master)

Date: 02.03.2022

Current organizational information about the procedure of the "HRM&IB" Course

Lecture

Prof. Dr. Thomas Zwick

Start: 26.04.2022

- **Weekly Lectures: Tuesdays, 16:15-17:45**
- **Live Online Lectures via Zoom**

<https://uni-wuerzburg.zoom.us/j/95041714311?pwd=eTNlMTFrNS95MWFkYkZkdm2aJlYanIRdz09>

- Live questions via Chat are welcome during all lectures.
- There will be review questions during each lecture in online voting surveys, the results are to be discussed during the same lecture.
- Lecture recordings will be uploaded to WueCampus for an asynchronous exam preparation option.
- Lecture slides and suggested literature for the lecture (sorted according to lecture chapters) will be available via WueCampus.

Tutorial

Alberto Sánchez Cavazos

Start: 28.04.2022

- **Weekly Tutorials: Thursdays, 12:15-13:45 in HS 124**
 - Tutorial slides and suggested literature for the tutorial are available on WueCampus.
 - Learning asynchronous units of "Kahoot!" with interactive and reviews questions will be available with the objective of reinforcing the weekly learning material.
 - The Kahoot Exercises will be made available each week (see the Course Plan in WueCampus)
 - Four exercise sheets will be distributed and discussed during the semester.
- A practice exam will be available before the lectures and tutorial start as preparation for the exam.
- In addition, optional materials for exam preparation (e.g. previous exams) will be available in WueCampus.

- **Written Exam (60 Minutes)** after the end of the lecture time. (approx. end of July – beginning of August)
- **Registration for exams** will be available during the regular registration phase via WueStudy.
Erasmus students: for an exam registration please contact Agata Stopinska (agata.stopinska@uni-wuerzburg.de)
- The **exam date** will be published by the examination office: <https://www.uni-wuerzburg.de/studium/pruefungsammt/master>
- There will be a repetition exam offered during the Winter Term 2022/23
- The exam consists of diverse tasks; all of these should be answered.
- The exam consists of questions from both, the lecture and the tutorial.

- **Course and exam language:** English
- **Link to the Course Platform in WueCampus:**
<https://wuecampus2.uni-wuerzburg.de/moodle/course/view.php?id=51496>
 - Self-enrollment
 - No password required
 - Enrollment available starting April 22nd.
- **IMPORTANT:** Due to copyright reasons, the materials provided in the course platform (WueCampus) are password-protected. **The password will be announced during the first lecture (26.04).**
- One or two Question-Answer sessions will be offered during the course (for specific dates, see the Course Plan in WueCampus).
- Questions regarding the lecture and the tutorial are welcome during the whole semester. Please send us your questions via Email or pose them during the lecture/tutorial sessions. Questions will be answered in a written way and will be shared (via WueCampus) to all students.
