

Information about the course

Human Resource Management & Industrial Relations (Master)

Last updated on 06.03.2024

Current organizational information on the "HRM&IR" Course for the summer semester 2024

Lecture

Prof. Dr. Thomas Zwick

Start: 17.04.2024

- **Weekly Lectures: Wednesday, 4:15-5:45 PM in HS 414**
 - Lecture slides and suggested literature for the lecture (sorted according to lecture chapters) are available on WueCampus.

Tutorial

Alberto Sánchez Cavazos

Start: 25.04.2024

- **Weekly Tutorials: Thursday, 2:15-3:45 PM in HS 317**
 - Tutorial slides and suggested literature for the lecture are available on WueCampus.
 - Learning asynchronous units of "Kahoot!" with interactive and reviews questions will be available to help you to master the weekly learning material.
 - The Kahoot! Exercises will be made available each week (see the Course Plan in WueCampus)
 - Four exercise sheets will be distributed and discussed during the semester.

- A practice exam is available as preparation for the exam on WueCampus.

- Additionally, optional materials for exam preparation (e.g. previous exams) can be found on WueCampus.

Exam

- **Written Exam (60 Minutes)** after the end of the lecture time. (approx. end of July – beginning of August)
- **Registration for exams** will be available during the regular registration phase via WueStudy.
Erasmus students: for your exam registration please contact Agata Stopinska (agata.stopinska@uni-wuerzburg.de)

- The **exam date** will be published by the examination office: <https://www.uni-wuerzburg.de/studium/pruefungsamt/master>
- There will be a repetition exam offered during the Winter Term 2024/25
- The exam consists of diverse tasks; all of these should be answered.
- The exam consists of questions from both, the lecture and the tutorial.
- **Course and exam language:** English
- **Link to the Course Platform in WueCampus:**
<https://wuecampus.uni-wuerzburg.de/moodle/course/view.php?id=65466>
 - Self-enrollment
 - No password required
 - Enrollment available starting on April 12th.
- **IMPORTANT:** Because of copyright reasons, some materials provided on the course platform (WueCampus) are password-protected. **The password will be announced during the first lecture (17.04).**
- A Question-Answer sessions will be offered at the end of the course. For specific dates, see the Course Plan on WueCampus.
- Questions regarding the lecture and the tutorial are welcome throughout the semester. Please send us your questions via Email or pose them during the lecture/tutorial sessions. Your questions will be answered in written form and they will be shared (in a document published on WueCampus) with all students.

Questions? Please write Prof. Dr. Zwick (thomas.zwick@uni.wuerzburg.de) and Alberto Sánchez (alberto.sanchez-cavazos@uni-wuerzburg.de) for further content and organizational questions about the course.
