Your personal comments concerning the lecture

What aspects of the lecture and/or the lecturer do you like?

would be nice to have more slides
a lot of things are said but not written down

Prof. Pibernik is high energy and very motivated. Lectures are very interesting and engaging.

- practical examples
- games

His attitude was great. It made the class more interesting. (Mr. Pibernick)

Simulations
practical examples

simulations
case studies

nicely enthusiastic

- many examples of big companies
- a lots of supply chain games /
  sumilations in order to better
  understand

I like all the studie cases, they help
us see all the theorerical in
action.

The lecturer is very engaging and interactive and makes the content interesting in the way he delivers it

it's great great to have such a compact lecture (only four times for the whole afternoon)

- very interesting to play the 'games'
- lecturer is very motivated and interested in the topic
- great way of teaching!

· Simulations were awesome!
· "Off-topic" background knowledge about companies etc.

Prof. Piserik is just a great teacher and explains thing very easy even they actually difficult to understand

What aspects of the lecture and/or the lecturer do you not like?
What improvements would you recommend?

How to prepare for exam?

Maybe consider option for having
the seminar in between semesters
because its timing & length
influences other courses
