

## Internship - Global IT Systems Excellence

Reference no.: 5767

Country: Germany Job Function: Information Technology  
State / Province: Germany Position Type: Intern  
City / Location: Herzogenaurach Brand: adidas Group

Want to practice what you've learned at university? Do you want to experience hands-on what your dream job is like? Are you a sports lover who's ready to work in an international environment and take responsibility for your own projects? Then welcome to the adidas Group. This is an opportunity to join a truly international business with an environment that is often described as dynamic, innovative, and culturally diverse. If you share our love for sport and competition and have the drive to be number one in what you do, then consider this option to join our winning team!

### Main tasks:

- Research and evaluation of software frameworks and toolsets
- Implementation of software PoCs (proof-of-concepts) in the area of value pricing, competitor analytics & systems excellence
- Support for the testing process of functional / non-functional requirements

### Key objectives:

Support the concept, technical design & implementation phases of key CoE Operations initiatives by researching, evaluating and utilizing new software technologies.

Build up valuable enterprise knowledge in the digital image processing area, with focus on image similarity and pattern recognition.

Explore SCA (Service Composition Architecture) benefits and drawbacks

### Your Profile:

- Student of Information Technology / Business Informatics with a strong background in Java, especially with services and backend development
- Interest and/or experience in BPM applications development and integration will be considered as a plus
- Very good analytical skills and passion for software development
- Interested into learning and using new concepts / technologies in the context of Software Development
- Self-motivated, proactive and able to work independently
- Enrolled as fulltime student for the complete duration of the internship. Or in the so called gap year between Bachelor and Master's degree (Only applies to EU citizens due to working permit regulations!)

- Strong time management skills
- Fluent in English

Duration: 6 months starting March, 2015

Location: adidas Headquarters in Herzogenaurach (near Nuremberg)/Germany
