## SHAPE THE FUTURE OF SPORT

### Did you ever wonder how IT and sports fit together?

At the **adidas Group** you will get an insight view on how a high performance IT team supports our ambitious growth plans for the future. The continuously evolving field of IT is a business enabler for the adidas Group.

### Become an IT expert (m/f) by joining our “Campus IT” program!

Within this **12-15 months program** we will train you to become a **business athlete**. You will have the opportunity to work on **two projects** (6 months each) within your chosen **field of interest**.

Choose your program focus between:

- **SAP Retail**
- **e-Commerce**
- **Mobile Applications**
- **Business Intelligence**

You can expect appropriate **training and development** measures in order to **support your personal growth**. Furthermore, there will be **mentoring** from Senior IT Managers. At the end of this program you will receive the **adidas Group Campus IT certificate**.

#### What we expect:

- University degree in relevant field of expertise
- Strong interest in one of the fields of SAP Retail, e-Commerce, Mobile Applications or Business Intelligence
- Strong analytical understanding
- International mind-set
- Ability to think “out of the box”
- Enthusiasm for teamwork
- Fluent in English, both written and spoken
- Ideally international experience (e.g. internship or study abroad)
- A good sense of humor and passion for the adidas Group brands

**Ready – set – go!**

**Application Deadline: February 15<sup>th</sup>, 2011**

Please send your online application in English, including a letter of motivation and all necessary certificates to our career centre on our homepage [www.adidas-Group.com/careers](http://www.adidas-Group.com/careers) --> IT OR to [ITjobs@adidas-Group.com](mailto:ITjobs@adidas-Group.com) (Ref.No.HQ-7132MB)
