Course period: Term: ECTS:
6-10.9.2021 (10-11:30) summer semester 2021 5

Contents & Objectives:

The course deals with the following topics:

1. **External Communication** – What is External Communication (EC)? What targets, target groups, tasks, strategies and instruments does the field of EC offer?
2. **Internal Communication** – What is Internal Communication (IC)? What functions, goals and channels does the field of IC offer?
3. **Crisis Communication and Issues Management in the Corona Pandemic** – How are Crisis PR and Issues PR connected? What differences exist? How can we differentiate between Crisis PR and Issue PR of large corporations? What are good and bad examples of corporate crisis communication?
4. **Applied Crisis PR in the Corona Pandemic** – How do European Corporations communicate in the Corona Pandemic? Which differences/ different strategies exist among those Corporations? What are (possible) failures in Crisis Communication during the Pandemic?

Intended learning outcomes:

By completing this course, students receive a profound understand of theory and practice of Public Relations in term of External Communication, Internal Communication and Crisis Communication, particularly concerning the Corona Pandemic. Besides to a profound knowledge of Crisis Communication, students learn how (differently) European Corporations communicate in the Corona Pandemic. Students will be able to analyze the communication mode of European Corporations during the Corona Pandemic based on theoretical models as well as the international historical experience.

Prerequisites:

Prerequisite is good command of English. Further students should have a profound understanding of communication concepts as well as of social, economic and political aspects of mass communications.
